Comic Scene

Muffin Thief

This is a comic trio scene where three siblings, two girls and a boy, fight over muffins and bugs. The characters should act as typical siblings who get on each others nerves.

Dean: Hey! How come you two got the last muffins, and I got nothing?
Sivanti: Because Mom put us in charge, because we're girls and girls are more responsible.
Meena: Yes. And you have to do everything we say.
Dean: But Mom didn't say you get the muffins and I don't?
Meena: Maybe she did or maybe she didn't, but you will never know.
Sivanti: So make yourself some toast or something.
Dean: Ok fine, I don't need a muffin, but while I am making the toast, you may want to check the bottom of your cupboards?
Sivanti: Why?
Meena: What did you do?
Sivanti: I swear Dean if you put something in my cupboard I will kill you.
Meena: And I will kill you after that!
Dean: Well I had some left over bugs from my bearded dragon's breakfast so I just put some in your shoes to keep them warm for his dinner!
Sivanti: You did what?
Meena: Oh your horrible, mean boy!
Sivanti: I will kill you as soon as those bugs are out of my shoes.
Meena: And I am telling Mom what you did.

(They drop the muffins and Dean picks them up. They run off to check on their shoes.)

Dean: I may have to apologise later, but at least I wont be hungry when I do. (takes a big bite of the muffin)
